

## **SENIOR MANAGEMENT POSITION – ENVIRONMENTAL AND ENGINEERING FIRM**

**Skelly and Loy, Inc.**, an established environmental and engineering consulting firm, has an immediate opening for a senior management position to work out of its Pittsburgh, PA office. We are looking for a dynamic individual to head up our business development efforts to grow the public and private sector markets for the firm's services.

Skelly and Loy is an employee-oriented company with a rewarding work environment and a stable staff. In this position, the successful applicant will have the opportunity to enhance the success of the Company with a high level of independence under the leadership of very supportive owners. The diversity of talents and disciplines in the firm fosters a collaborative team effort.

The Pittsburgh Regional Office is home to a multi-disciplinary staff comprising environmental scientists, cultural resource specialists, geo-environmental personnel, computer and GIS specialists. The person who holds the position is responsible for maintaining existing business relationships and developing new business opportunities; strategic planning; and developing goals for the company's business plan.

The successful candidate for this position will be energetic, optimistic, business-savvy, have excellent oral and written communication skills, and a proven record of business development and client maintenance. Applicants must hold a graduate degree in Engineering, Environmental Science, Business Development, Marketing, or a related field. A minimum of ten years experience is also required.

Qualified candidates should document their ability to fulfill the requirements of this advertisement by submitting a cover letter and resume that includes salary history, three business references and date of availability to:

Skelly and Loy, Inc.  
449 Eisenhower Blvd.  
Suite 300  
Harrisburg, PA 17111

Or email to: [jobs@skellyloy.com](mailto:jobs@skellyloy.com)

No phone calls please.

Skelly and Loy is an affirmative action and equal opportunity employer.

To be considered, applicants must be eligible to work in the United States without sponsorship.
