Benefits of Attending

The program encourages students to explore STEM careers to help the future of Pennsylvania

The cost to attend is free. Just provide your transportation to the event*

Students will be introduced to businesses and organizations that use STEM every day in their work environment.

Program Highlights:

- Students will move around the rink to booths where they will listen to eight 12-minute presentations and demonstrations relating to STEM
- Students will be given a handout with key questions to answer about each presentation
- Schools that attend will be entered to win a \$500 scholarship towards a STEM field trip

**There are some scholarships available to help with transportation costs.*

Register by sending this form via email to Tricia Rosina at stem@paep.org

After registering, you will be contacted by Tricia Rosina
