**Communities, Corridors &
Connections Conference (C4)**

**October 5–7, 2022
Ramada Inn - State College, PA**

CALL FOR PRESENTATIONS

Please mark your calendar now and plan to join the **2022 PAEP Communities, Corridors & Connections Conference (C4)**.

The theme for the **2022 PAEP Communities, Corridors & Connections Conference (C4)** will promote the importance of working together to learn about the unique, interdisciplinary nature of our environmental industry and also highlight today's hot topics and industry updates. We are looking for a large variety of environmental topics for the conference presentations, which may include, but are not limited to:

+ Green Stormwater Management
+ Environmental Engineering
+ Air Quality Monitoring
+ Wetlands
+ Natural Resources
+ Remediation
+ Green Innovation
+ Environmental Hazards
+ Sustainability
+ Conservation
+ Biofuels
+ Soils Science
+ Environmental Compliance/Permits

+ Transportation
+ Agriculture
+ Climate Change Research
+ Water Resources
+ Government/Regulatory Updates
+ Environmental Restoration
+ Regulatory Updates
+ Archaeology & Cultural Resources
+ Mineral, Oil and Gas Exploration and Development
+ Sustainable Developments and Green Communities

The PAEP's Annual Conference provides an educational and conducive environment to learn about important issues affecting our careers, lives, and world. We would like to invite all environmental professionals to submit proposals for presentations for the upcoming conference. As always, PAEP is interested in presentations that are innovative, relevant, educational, and motivational.

We need your submissions/suggestions/ideas to help us make the 2022 PAEP Conference the best yet! Have you recently worked on a paper or project that you feel would be of interest to our attendees? Is there something innovative or new happening in your profession/field of expertise that you would like to present or have a panel discussion about? Feel free to volunteer yourself, a speaker you have heard in the past, a colleague, or a student that you think might be a great addition to our speaker lineup.

APPLICATION PROCESS:

All presentation proposals must be submitted by using the link below:

[Click Here](#) to Access the Online Application to Present

The application requires _all_ of the following information…

- Title of Presentation
- Environmental Topic: _(choose any that are applicable from list above or write in your own)_
- Length of time needed (Due to continuing education credit processes, all sessions must be a minimum of 60 minutes. Including time for Q/A.)
- Primary Presenter Name (in_cluding honorary titles):_
    - Company/Organization
    - Address
    - Phone/Email
- Additional Presenter's Name(s) (in_cluding honorary titles)_
    - Company/Organization
    - Address
    - Phone/Email
- Summary of Presentation (Pl_ease provide a brief summary [up to 250-words] of what the topic will cover/include. This description will be used in the conference program, and if your presentation is selected, it may also be used to help promote the conference.)_

The deadline for submissions is **Friday, April 1, 2022 at 6:00 pm (EST)**, so please get your presentation ideas in as soon as possible. Presentations received after this date may not be considered. The Planning Committee will select and notify presenters in May. Selected presenters will then submit a signed agreement provided by the PAEP office to confirm their arrangement. Presentations should be 45-50 minutes in length including time for Q/A from the audience. If you need more time, please let us know as we may be able to accommodate this.

EXPENSES: Registration is free for all conference presenters on the day of their presentation.

Thank you very much for your submissions and suggestions. Should you have any specific questions, please contact **Kelly Coates at ktcoates02@gmail.com**. We look forward to hearing from you and seeing you at the 2022 Conference!

Sincerely,

PAEP 2022 Conference Co-Chairs
Deborah Poppel & Joe Musil
